a supervision agreement is concluded on the planned PhD work at the Faculty of Electrical Engineering and Information Technology at the Ruhr-Universität Bochum on the topic (working title):

**Working title in German:** .....

**Working title in English:** .....

The following doctoral degree is aimed for according to § 1 of the doctoral regulations: .....

This agreement is intended to ensure the scientific support by a supervisor necessary for the success of the PhD work as well as adequate methodical and subject-matter PhD preparation by the PhD student. The following is agreed for this purpose:

1. The supervising lectures and the PhD student arrange regular reporting on the progress of the thesis. This is to be carried out at least quarterly in the context of face-to-face meetings.
2. The PhD student takes part in courses and/or other postgraduate training as agreed with the supervisors, provided this is relevant for his/her thesis.
3. The PhD student prepares an exposé containing a description of the PhD project. The deadline for submission is established in agreement between the PhD student and the supervisor. It amounts to a maximum of six months.
4. Any termination of the supervision relationship is to be reported immediately to the PhD board.
